A Look at Tonight's Game . . .

The two football teams that are to clash on the Lewis Field turf tonight are remarkably similar in many ways. Both the Fort Hays State Tigers and the Missouri Southern Lions are coming off disappointing 1969 seasons. They are both under the direction of second year coaches. They both added many transfer players to their rosters in the spring semester of 1970. Finally, each coach feels that this game is a must win for his team.

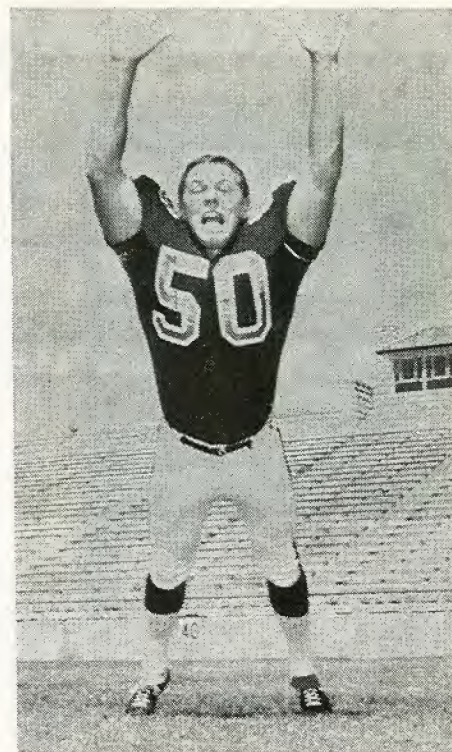

The Lions were 2-8 last year and Head Coach Rube Berry feels that he is playing a must game against the Tigers in order to have his charges in the right frame of mind for his next two games against Lincoln University and Northeastern State College.

Lion followers will anxiously watch their defense, headed by All-American candidate Jim Hoots. Offensively sophomore Dave Evans returns after a record-setting freshman year at split-end and quarterback Mike Sexton returns to call the signals.

Head Coach Tom Stromgren sees tonight as a must game for his Tigers after the 0-9 record of last season in order to keep the mental attitude at the height he was able to achieve during pre-season and spring practice.

Tiger fans will be looking at Tommy Evans, the "mini-brute," to see if he displays his record-breaking running of last year.

Everyone knows that only one team can win a football game. Ties produce no real winners. Both coaches readily admit that they do not know how good their teams can be, but both claim a great potential. The feeling of the must win on both sides of the field should produce 48 minutes of action-packed excitement in Hays, Kan. tonight.

Greetings from the President . . .

JOHN W. GUSTAD
President

Welcome to Fort Hays Kansas State College and the 1970 football season. When you are down, there is nowhere to go but up, and we are very optimistic about the chances for this year's Tigers to enjoy at least some of the success experienced by several of our other teams. Over-all, our athletic teams in 1969-70 placed us fourth in the nation in the National Association of Intercollegiate Athletics, a very commendable record.

Our coaches have the same goal as the faculty: try to be the best. Whenever the coaches have talented athletes, they will have winning teams; whenever the faculty has talented students, they will provide outstanding graduates.

A balanced, well rounded, and successful athletic program is important for the college. It contributes to that hard-to-define but important ingredient of a good college, school spirit. It is a magnet which attracts students, faculty, alumni and friends to the campus. The late Professor Phelps of Yale was once asked which gave him the greater thrill, reading a poem by Browning or watching a Yale half-back run for a touchdown against Harvard. His answer conveys what I have been trying to say: "They are both thrilling, but when I read Browning I do not usually smash my hat!"

John W. Gustad,
President

ROCKY MOUNTAIN *Athletic* • CONFERENCE •

RMAC Marks 61st Year

As college football celebrates its 101st year this year, the Rocky Mountain Athletic Conference, second oldest in America, is marking its 61st anniversary.

Although it was chartered in 1909, the RMAC actually dates back to 1889, with the formation of the Colorado Football Association. Members were Colorado College, Colorado Agricultural College (now Colorado State University), Colorado School of Mines, the University of Colorado, and the University of Denver.

Need for more stringent rules governing eligibility and recruiting prompted the reorganization of the same group in 1909, as the Rocky Mountain Conference.

The conference expanded, with the addition of the University of Utah in 1910; Utah Agricultural College, 1914; Montana State College, 1917; Brigham Young University, 1918; University of Wyoming, 1921; Colorado State College, 1924; and Western State College, 1924.

In 1937, rapid growth prompted the "big seven" to withdraw and form the Mountain States Conference, which consisted of Colorado, Colorado Aggies, Denver, Wyoming, Brigham Young, Utah and Utah State.

Idaho State College and Adams State College joined the RMAC in 1949 and 1956, respectively; however, Idaho State and Montana State dropped out in 1950. Colorado College, in a deemphasization program, withdrew in 1962.

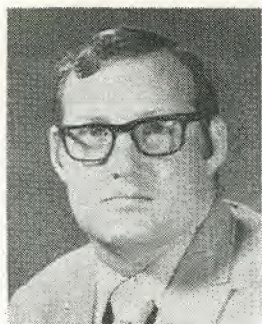

The four remaining Colorado members kept the conference alive, and merged in 1967 with the five-member Central Intercollegiate Conference of Kansas and Nebraska. Six independent colleges and universities were added to the newly expanded RMAC which was organized into a Plains Division and a Mountain Division, with provision for championship playoffs between division winners in football, basketball, and baseball. Conference-wide meets are held in cross-country, track, swimming, wrestling, golf, and tennis.

Members of the Plains Division are Fort Hays State College, Kansas State College of Pittsburg, Kansas State Teachers College (Emporia), Southern Colorado State College, the University of Nebraska at Omaha, University of Northern Colorado and Washburn University.

Members of the Mountain Division are Adams State College, Colorado School of Mines, Fort Lewis College, Regis College, Southern Utah State College, Western New Mexico University, Western State College, and Westminster College (Salt Lake City).

Although it covers a five-state area, the newly aligned 61-year-old RMAC got off to a good start last year and awarded championship trophies in eight sports.

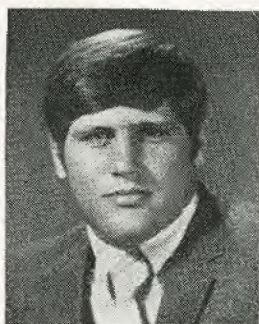

The old saying that "there always will be an England" may well be paraphrased to reasonably justify the statement that there will always be a Rocky Mountain Athletic Conference.

Meet the Tiger Coaches

BACK ROW: (from left) Jim Paramore, head coach Tom Stromgren, Jim Hoppel.
FRONT ROW: John Covington, Larry Zierlein, Ed McNeil.

The 1970 Tiger coaching staff is a mixture of the old and the new. Back to start his second season as the Tiger head man is Tom Stromgren. Stromgren had an uncomfortable freshman season as the Tigers brought him an 0-9 record. He spent most of the off season searching for talent and feels that he has brought enough talented football players to the FHS campus to make 1970 the year that the Tigers "GET IT TOGETHER."

Coach Stromgren started his own collegiate career at Baker University. He later transferred to College of Emporia where he lettered as a football quarterback, lettered as a baseball player and married the cheerleader.

Another second year coach is defensive coordinator Jim Paramore. A graduate of Baker University, Paramore lettered all four years, was twice named to the KCAC first team, twice named to the All-KCAC second team and was named to the Methodist College All-America second team.

The real veteran of the FHS staff is line coach Ed McNeil. McNeil, starting his 14th season with the Tigers, was a four-year letterman at Kansas State where he was an Honorable Mention All-America tackle in his senior year.

Jim Hoppel who guides the offensive linemen is starting his inaugural campaign at FHS. In addition to his gridiron duties, Hopple will be the head whistling coach for the Tigers. Hopple comes to Kansas from Ohio where he earned degrees at Bowling Green State University. He was head wrestling coach at Chagrin Falls High School where his team collected 26 straight victories over his last three years.

John Covington and Larry Zierlein will serve as Graduate Assistant coaches for 1970. Both men played for the 1969 Tiger squad and carry impressive credentials into the coaching ranks.

When it comes to planning your security, don't rely on intuition.

Use E.S.P.

At Equitable, ESP stands for Electronic Security Profile.—our computer-age insurance programming service.

If you're a married man, between the ages 18 and 55, here's what ESP can do for you:

1. Organize your security objectives.
2. Tell you how much life insurance you should own to meet those objectives, now and in the future.
3. Develop and recommend an insurance program tailored to your projected needs—from now, right through retirement.

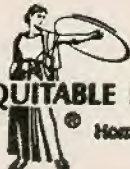

Want to find out if your present security program is all you think it is? Call your Man from Equitable, to day. There is no obligation.

ALVIN PENKA

FHS Cross Country Outlook . . .

Expected to be Fort Hays State's top cross country runner this fall is All-American Alvin Penka.

Penka received national honors because of his 12th place finish in the NAIA championships last year. The Odin junior also won the Missouri Valley AAU meet and placed second in the Rocky Mountain Athletic Conference.

Along with Penka are returning lettermen Steve Boehmer, Bern senior; Herb Camien, Levittown, N.Y. junior; and Dave McLeland, Great Bend junior who will be counted on by head coach Alex Francis for a successful season.

Added running strength this year will come from new recruits Jon Nelson, Johnson; John Birnbaum, WaKeeney; Tom Bradrick, Wichita; John Beaton, Scott City; Marvin Jelinek, Anthony; John Brungardt, Hays; Ron Lawrenz, Herington; Ron Seiker, Chase; and Hap Wood, Wichita. These prospects have been tabbed as nine of Kansas' best middle and long distance high school runners.

According to Francis, "The success of this season will depend quite a bit on performances of the new recruits.

"We have the best bunch of freshmen ever to come to FHS, but they will have to do well in order for us to win meets," he added.

A Look at the 1970 Tigers . . .

The 1970 edition of the Fort Hays State Tigers will bear little resemblance to the squad of one year ago. The addition of many transfer players plus some good freshmen has given the Bengals a new look for 1970.

This year's roster lists 22 transfer players. The starting Tiger backfield will put three of these transfers into action. Starting quarterback, Mike Karl is a transfer from College of Emporia, fullback Steve Crosby is from Kansas State and flanker Jerry Wilson comes from Purdue University. These three will join All-America candidate Tommy Evans in trying to put points on the scoreboard for the home team.

Elsewhere on the offense, split end John Woodworth is a new face from Cowley County Junior College.

On the defense all three of the linebackers are new this year. Roy Humphrey comes to FHS by way of Garden City Juco and North Texas State. At Garden City he was NJCAA All-America. Beside him will be J. D. Armstrong, a transfer from Kansas University. On the other side will be Jake Heck, a transfer from Fort Scott Juco. Jonathan Douglas, a freshman from Amarillo, Texas, will probably start at one corner in the Tiger defensive secondary. Rick Lacey, a transfer from Cowley County Juco, will start at defensive tackle.

Other new faces who will not start but should see plenty of action in 1970 are: Dennis Brown, flanker from Herington; Butch Davis, tackle from Greensburg; Gary Dougherty, tailback from Ava, Mo.; John Getz, cornerback from Loudonville, O.; Mike Hines, freshman tight end from Vidor, Tex.; Mike Hufstetler, freshman cornerback from Vidor, Tex.; Charlie Krull, fullback from Mound City, and Ed Turner, defensive tackle from Overbrook.

The new kids on the block will join such veterans as Dennis Spratt, a senior end from Ellsworth; Rick Doran, a sophomore tackle from Harlan, Iowa; Jim Murray, a senior guard from Pittsburgh, Pa.; Mike Butler, a junior center from Marysville; Phil Stramel, a sophomore guard from Cortez, Colo.; and Jim Bicknell, a sophomore tackle from Marysville to form the starting offensive unit. The coaching staff feel that if the young offensive linemen can gain enough experience fast enough, the offensive unit should put plenty of points on the board.

Defensive veterans include Scott Turner, a senior from Downers Grove, Ill. at end; Gary Riedy a junior from Hope at a guard; Ed Young, a junior from Beaumont, Tex. at the other guard; Lionel Jenkins, a junior from Port Arthur, Tex. at a corner; and Dodge City sophomore Rick Hahn and Grant, Neb. senior Lloyd Logsdon at the safety spots. Defensive Coach Jim Paramore feels that the Tigers are much improved defensively over the 1969 version.

Before the August practices started, Head Coach Tom Stromgren stated that his two goals for the 1970 football season were to have a winner and bring exciting football to western Kansas. The combination of newcomers and veterans into a effective unit and the team motto, "DESIRE IN EFFORT" seem to be designed to do just that.

Some history of Fort Hays State . . .

Fort Hays Kansas State College, founded in 1902, marked its 68th birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state to serve the people of Kansas and particularly the youth of central and western Kansas.

Fort Hays Military Reservation, established in 1867 shortly after the Civil War, was abandoned by the United States government in 1889. For the next 11 years, a proposal for wise use of the land was repeatedly presented to Congress by far-seeing residents of the area. In 1900 the government enacted legislation granting the land to the State of Kansas for three designated purposes: as a state college, as an agricultural experiment station and as a state park. All are now in existence on the land.

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown steadily to its present enrollment of 5,705 students, with more than 800 courses and 284 faculty members. This growth is further reflected in a steady building program that includes such recent construction as the new library; Malloy Hall, the speech and music center; a new power plant; a new addition to Wiest Hall, a men's dormitory; an addition to Memorial Union; and the remodeling of McCartney Hall (the Museum) is in operation.

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

Fort Hays State reflects the community and the area in blending new and old, tradition and progress, while serving as the educational and cultural center of western Kansas.

NAME OF SCHOOL

1902-13, Western Branch of the State Normal School
1913-23, Fort Hays Kansas Normal School
1923-1931, Kansas State Teachers College of Hays
1931-present, Fort Hays Kansas State College

The Tiger Club

The Tiger Club, formed one year ago at the start of the 1969 football season, is an organization designed to support the Fort Hays State College athletic program in any way possible. It includes business and professional men in all walks of life and is open to anyone interested in Tiger athletics and the following Club purposes:

- *To promote interest and enthusiasm in Fort Hays State athletics.

- *To explore job opportunities for Tiger athletes.

- *To seek increased financial assistance for the Fort Hays State athletic program to help assure its competitiveness in the Rocky Mountain Athletic Conference.

- *To work with Fort Hays State College Alumni in acquiring names of prospective athletes and in raising needed funds for the athletic program.

- *To stay informed on Tiger athletics through weekly meetings with the coaching staff at Fort Hays State.

The Club meets each Wednesday noon from the beginning of the football season through the end of the basketball season and less frequently through the spring months. The luncheon meetings are held in the Coronet Room of the Heritage Club.

Anyone interested in helping the Tiger athletic program is invited to join the Tiger Club. One-year membership dues are \$10 and may be mailed to P.O. Box 831, Hays.

The 1970 Board of Directors of the Club includes J. D. Williams, president; Gary Casey, vice-president; John Samuelson, treasurer; Ted C. Tow, secretary; Norman W. Jeter, Don Volker and Dr. Harry E. Watts.

MAKE THE HAYS NATIONAL BANK YOUR BANK

We invite you to come in and visit with our young, progressive officers. You will find they are anxious to serve your banking needs.

If you would like, visit with your hometown banker and have him contact us, so we can cooperate in helping you with your banking needs.

Get a status symbol that carries some weight.

The time is past when people thought of a truck as strictly a workhorse.

In fact, Chevy pickups are being used for so many personal and leisure time activities that they've become a kind of symbol for a new life-style.

It's easy to see why.

Our pickups combine the luxury and utility today's on-the-go

generation wants. You can order such conveniences as an automatic transmission, power steering and power brakes.

Even air conditioning, bucket seats and carpeting.

And with it all you get the practicality of a "trunk" up to 8½ feet long. Try that out for size on your next shopping trip. Or vacation

trip. Or football outing.

The man to see is your Chevrolet dealer. He'll show you more reasons why Chevy pickups are so popular.

Putting you first, keeps us first.
